Memories

Jacques Derrida
Focused Research Program in Critical Theory

Editorial Note
Revised Edition

Preface to the
French Edition

Prelude to the

MEMOIRS.
translated by Peggy Kamuf

and responsibility.

On the subject of those lessons within between 1940

work.

where people knew next to nothing of Paul de Man's
Europe, especially in Germany, and sometimes in pieces

Hopper's, Zurcher, Conard, Berth, Consarnace, Yale, and so

proceed to some of the problems raised. I shall speak

once of a dearer Hereutundcan, one who had been a

years. By reason of the authority of the Checkbox 1940

curtains of thought. In sum, they some, as the sayings

thought them, they hoped, against others, and gaiulity

published by Editions Plonner (translated by Thomas Hess). The

next year when Ayloros of Freedom (New York: The University Press, 1979)

translation of a book of Paul de Man's would have appeared. This is to say

once."

"See below, "Monumente." For these different meanings of "man.
