Assignment – Week 2 – Political Culture

Instructions:

Go to http://www.publicagenda.org/issues/frontdoor.cfm?issue_type=immigration and examine the articles “Understanding the Issue” and Public Opinion in conjunction with Chapter 4 in Greenberg and Page. Answer the following questions in 3-5 sentences each:

1) What are Americans most worried about when it comes to immigration?

2) What do they want to do about it?
3) What policies do Americans favor regarding immigrants who are already in the United States?

4) As you look at each survey question, ask yourself what immigration policies you support. Are your views in line with the majority of Americans, or are you an "outlier"?
