Due to the increasingly technological nature of our society, I find it necessary to address the issues of cell phones in class. Please turn off all of these electronic devices before coming to class, as they are disruptive to the learning environment and distracting to other students. Thank You.

I also need to address tardiness to class in a more formalized manner. Lateness is also disruptive and distracting to a positive learning experience. Constant carping on this issue both demeans the class and takes away from learning time. Therefore, I urge you, as responsible adults, to arrive to class on time ready to learn. To encourage on-time behavior, one point will be deducted from each quiz that you are tardy. This policy will start with Quiz 2. Again, your cooperation is appreciated. Thank You.

Class attendance is an important component of your learning experience. Since students are adults, a mandatory attendance policy will not be in effect for this course. The system of unannounced quizzes is instituted to encourage student attendance. The first part of your TA participation grade is attendance, so it is your best interest to come to both the large lecture classes on Monday & Wednesday and the TA discussion sections on Fridays. Make-ups for quizzes will not be available, except for excused medical absences (signed by authorized medical personnel) or attendance at official university functions.

Students requesting classroom accommodations for disability issues must first register with the Office of the Dean of Students. This office will provide documentation to the student who then must provide this documentation to me. I am more than willing to do whatever is necessary to ensure an optimum learning environment for all students.

Please be aware of the University’s policy on plagiarism. The Internet has made this situation more problematic but understand that plagiarists will be caught. Any questions about what constitutes plagiarism, please do not hesitate to ask. All plagiarism offenses will be reported on a Faculty Adjudication Form and forwarded to the Office of Student Judicial Affairs. You may get more information on UF’s Judicial Affairs process at https://www.dso.ufl.edu/sccr/process/
